Board members:

Please certify the Final Environmental Impact Report (EIR) for a 4.5-mile extension of the trail from the historic Octagon Barn on Higuera Street to the trail's staging area on Ontario Road at your meeting on February 24.

Also, please approve the proposed option (6B) for the trail's alignment, which includes under-crossings of San Luis Bay Drive and Highway 101.

Finally, expedite completion of the trail. It's time to get this one done.

Respectfully,

Phil Wagner & Mary Blackler

San Luis Obispo, CA 93405
